*"A word from your pastor....."*

Church Family,

Like many I have been watching as the Bible falls into place. It is not falling into place by coincidence or happenstance. It is falling into place because God has ordained it to do so. Sacred prophecy of the "last days" is not about to happen, it is happening. Soon, we will see things get much worse than what they are right now. Peace and safety will be sought after by the "powers that be". Finally, when they have attained what they believe is peace and safety, sudden destruction will come. This is what Paul was referring to in 1 Thessalonians 5:1-3. While peace and safety are good things, lasting peace and safety are not attainable apart from Jesus Christ.

I sincerely believe that we are seeing the "beginning of sorrows" that Jesus was referring to in Matthew 24:8. We also see evidence of this in Revelation 6. Things will grow much worse than what they are right now. Lawlessness will abound to the point that the love of many people will grow cold (Matthew 24:13). However, God is with us! Christ left us His peace. We know this peace in the presence of God the Holy Spirit within us that steadies us and helps us to have comfort even in trials. This is not the peace that is temporary like the world knows peace. This peace in Christ is ETERNAL and does not fade away, even in the presence of conflict. Do you have that peace? Are you prepared for what the last days will bring? I know that none of us want to see this, because of how hard it will be. Take heart O brother/sister in Christ. Jesus has overcome this world!! Our hope and confidence is in Him and His completed work at the cross.

Tell everyone that you can of the grace of God. Send them a message, call them, or visit with them in person to let them know that Jesus Christ gives true peace.

I love you,  
YOUR Pastor  
John 15:16
