Church Family,

Throughout the book of Hebrews, we saw that Jesus is better, His covenant of grace is eternal, and He is stable and does not change. As a church, sometime minor changes are needed and sometimes, we are bound to stand taller and firmer on the truths we confess and embrace.

First, I will address the truths of what we confess. We are in an era of time where due to lawlessness and evil all around us, we must make even more certain that what we believe as a church is clearly defined. The by-laws are almost ready for your prayerful review. Soon, every active member of Silo Baptist Church will have a copy of the proposed changes to the by-laws. Take heart, there are no theological or doctrinal changes. However, there are changes that further define and more clearly state what we believe. Soon after receiving your proposed changes, we will call a special meeting to only discuss and answer questions about the changes. After that meeting, we will schedule another special called meeting to take an official vote on the proposed changes. Not only did we need to further define what we believe, but there will be proposed changes that will help to protect SBC from any entity that would threaten the biblical autonomy of the church.

Finally, the other changes are minor operational changes regarding committees and their functions. The changes are for downsizing committee sizes, member rotations, and turning some committees into functioning ministries. I am really encouraged at how the By-Law Committee has worked tirelessly on their task. We are blessed to have such people that deeply love and care for Silo Baptist Church the way they do.

I want to say a special thank you to Lisa Carter for volunteering to be our Truth Seeker's Director! She is doing a wonderful job and is doing it all for God's glory. We are so blessed to have her serving the Lord alongside of us.

I want to encourage you to consider sitting in with the students on Wednesday evening from 6:30pm - 7:30pm. You can get to know them and seek to establish a prayerful connection with them. Thank you to all of our adults serving in the youth ministry.

New bus update: I am still looking over prices and options to present to you, as a church for our next form of transportation. This bus will be one that is "rider friendly" not just to students, but also to Senior Adults. I still have long term plans of seeing an active Senior Adult ministry for Silo Baptist Church and they will need some reliable transportation that is easy to get in and out of for everyone.

Grace to You,
YOUR Pastor
