"A word from your pastor....."

Church Family,

Throughout the book of Hebrews, we have seen that God has called and equipped every one of us to be "climbers", not "campers or quitters". As climbers, we are looking forward to advancing the gospel through Sunday School. On Sunday, September 12th, we will be starting a young married couple's class. Bro. Steve Harlin will be the teacher. I would like to encourage all young adults from 20's-30's to attend this class. They will begin teaching through the Gospel of John. The class will meet upstairs in the large classroom.

Truth Seekers is up and running. We have been working our way through the 10 Commandments on Wednesday nights and the kids are a blessing. I want to say a special thank you to all of our teachers and workers. We still need a children's director, so if you are so inclined to lead the children's ministry, please let me know.

The Student Family Ministry is up and running. There are a few minor bumps in the road here and there, but a change of this magnitude is bound to have one or two bumps here and there. All in all, it is coming together very well. We still need adults that are willing to make a connection with the students on Wednesday nights to attending the youth group time from 6:30PM - 7:30PM.

New bus update: I have been looking over pricing and am about ready to present as to what I believe we need to work and financially give toward for our next form of transportation. This bus will be one that is "rider friendly" not just to students, but also to Senior Adults. That's right, you guessed it, I have long term plans of seeing an active Senior Adult ministry for Silo Baptist Church and they will need some solid transportation that is easy to get in and out of for everyone.

The By-Law revisions are almost ready to hand out and share with you. We will give you a copy of the revisions, ask you to study them and speak with the committee if you have any questions. We will hold a special called business meeting to only discuss the revisions and changes, then have a separate meeting to vote regarding the changes. Doing it this way will allow all of us to read through, pray over, and discuss with the committee about any of the revisions. I will share that none of the revisions change ANY of our theology or doctrine. As a matter of fact, some of these changes helps to further undergird what we believe and practice at Silo Baptist Church.

Finally, September is when we take up our Edna McMillian State Missions Offering for Oklahoma Baptist work. Our goal is \$1000 for our state mission offering. This goes to help fund things like church revitalization and ministries like Disaster Relief. I do hope you will prayerfully consider support this very important offering.

Grace to You,
YOUR Pastor
John 15:16
