"A word from your pastor....."

Church Family,

I love you. That is my response to your outpouring of love for "pastor appreciation". The cards, affirmation, and encouragement are a blessing. The gift of the boat and truck we an exceptional blessing as well...haha.

Let me take some time to update you regarding a few things of great importance.

1. 2022 Budget - The Budget/Finance Committee prayerfully have met, discussed, and finalized the 2022 budget. This is a lot of work and effort and they are greatly appreciated for their service for our Lord and to His church. They will be presenting the budget for review in our next business meeting and we will be voting on that in December. Please join them in prayer that God will be glorified in the various ministries and missions of Silo Baptist Church.

2. New Bus - After several months of pricing and seeking the best options for the church, the approximate amount for a newer model "used" bus will be \$45,000-\$50,000 range. We already have a good start on that amount. Please know that this will not be a typical 15 passenger church van. This will be a 15-23 passenger "shuttle" type bus. This will accommodate not only our children and youth ministry needs, but it will also allow our senior adults to take various trips. This type of bus is very easy to get in and out of and will allow the entire church as a whole the opportunity to utilize it. If you would like to give specifically to the "bus fund", you can do so by designation on the MEMO line of the check OR by placing it in an envelope and designating it as "BUS FUND".

3. Community Thanksgiving Dinner - November 21st from 5PM - 7PM, Silo Baptist Church will open up our doors to our family, friends, and neighbors for a special invite to join us for Thanksgiving dinner. Members will be asked to bring side dishes and desserts, but the turkey and dressing will be provided. This will be an "all hands on deck" dinner. We will need people to help prepare, serve, and clean-up following the dinner. **What we will also need is for you to verbally, personally, privately, publicly, and faithfully invite every single person you can.** Special fliers will be sent home with the students at Silo schools too. This is in response to Jesus' command to love our neighbor and to love one another. Please be ready for special sign-ups for side dishes and desserts.

4. Christmas is Coming - I love Christmas! I enjoy everything associated with Christmas. However, I love Christmas because of why we celebrate. While we know that Jesus was not born on December 25th, we do know for certain that He was born. He was born in the most humble and meager settings of all. As the hymn writer states, He was "born to raise the sons of earth, [He was] born to give us a second birth". Christ was born! Jesus was born to reveal that God was with us. He was born to demonstrate "God's own love for us". God came to earth and THAT is worth celebrating. I encourage you to gather with your various ministries and Sunday School classes from Silo Baptist Church for Christmas parties, and Christmas Fellowship! Celebrate His birth, after all, He is worthy to be celebrated.

I love you,
YOUR Pastor
