January 2022

JANUARY BIRTHDAYS

16th	Lisa Carter
17th	Tyler Wesley
19th	Tiffany Buffalo
20th	Jo B Tucker
21st	Bill Browder
22nd	Robby Syler
23rd	Alex Sexton
27th	Ember Earley

JANUARY ANNIVERSARIES

25th	Pat & Barbara Hawkins
------	-----------------------

Church Family,

The decorations are put away and things are returning to normal. When it comes to our faith, should we return to normal, or should we step out a little further? Often times when “things return to normal” we are considering a slower time. A time of less activities, less stress, etc. However, I propose that we do not look to “things returning to normal” if we have a lukewarm faith. I am convinced that God has not given us saving faith to just sit and soak. I am also convinced that He did not give us saving faith to be quitters or campers. I am fully convinced that God has given us saving faith to sit, soak, and serve as climbers.

We have a lot facing us for 2022. We have a lot of people to reach in Silo, Oklahoma, the United States, and the world. Together, we will do just that. From Silo Baptist Church I believe that God wants to send out missionaries to every area I just named. As Silo Baptists we have been very faithful about giving. In 2021, we far surpassed our Easter Offering goal for Native American church planting work in Oklahoma. Most recently our Lottie Moon Christmas Offering goal was surpassed by nearly \$1000! Now we need to couple the giving with going. Be ready for opportunities to serve our Lord in this New Year! Not only will the church develop opportunities to serve the Lord, but as believers we need to personally seek opportunities to be a good witness for Christ. Don't waste one moment. Seek those opportunities and build on them as a witness for Christ. See 1 Corinthians 3:5-17.

Most recently, the church voted to move \$10,000 from the Stone Memorial Fund to the new bus fund. With the current amount that is there already, this will get us about halfway to where we need to be. This will be something that we will work toward and hopefully complete before 2022 is over. The new bus will not be a typical 15 passenger van. It will be a “shuttle type” bus that will allow ease of access for our senior adults. I am very encouraged to see this happening. Should you be led to do so, you can give a specific gift to the bus fund if you believe this is what God wants you to do. Every little bit helps.

A couple of new ministries are starting! Women's Ministry has begun. Debbie Roberts is working hard in prayer, planning, and preparing to follow God's leadership in serving Him in Women's Ministry. Watch for updates! Men's Ministry FELLER-SHIP breakfasts will now be the first Saturday of every month. Nathan Sexton and Vinny Moore are leading out in this and we appreciate all they do. Finally, The King's Table ministry is our local church-wide ministry to help provide a meal for anyone/everyone in Bryan County. On January 21st, we will be providing a simple dinner for anyone to come and share. If someone needs a meal, they are welcome. If someone wants a meal, they are welcome. Community residents, church family, and everyone else is welcome at The King's Table. Afterall, that is the way Christ has shown us His model of ministry, all are welcome.

Grace to You,
YOUR Pastor
John 15:16
