Church Family,

Spring is here and together we can praise the LORD! Resurrection Day is fast approaching and it reminds us that because Jesus lives, we live also! Our salvation, hope, peace, and eternity are secure because Jesus Christ has risen from the grave. Jesus is alive forevermore, seated at the right hand of the Father, and is about to return. We have so much for which to look forward and to celebrate.

Throughout the month of April, we will be taking a special offering for missions in the United States. The Carroll Hooper Mission Offering through the Bryan Baptist Association is where we will be giving our offering this year. 100% of our gifts for this offering are used to send local missionaries on mission trips this summer in the United States. Giving to the CHMO allows the BBA to provide assistance that will help lower the total cost for various mission opportunities. Will you join in and help us to promote the gospel in the United States?

For those that may not know, Carroll Hooper was the Director of Missions for the BBA for over 27 years. He led the BBA with great biblical integrity and was truly a man of the Word of God and prayer. He also pastored in the BBA. Back in the early 2000's the BBA unanimously voted to establish an offering that provides assistance for members of the BBA churches to go on various mission trips. By God's grace, Silo Baptist Church gets to share in this offering and the promotion of the gospel.

May the blessings of our LORD be upon your family. God's grace and love is abundant. Please consider sharing His grace with others so that the whole world can know Jesus Christ as LORD and Savior.

I Love You,
 YOUR Pastor
