Church Family,

Occasionally a person can get overwhelmed. Jobs, family priorities, doctor's appointments, ball games, routine home/vehicle maintenance, and church all combine to make us all be "busier than we want" to be. We can lose sight on important necessities like prayer and Bible study. I once heard that Charles Spurgeon was asked which of the two, prayer and Bible study, was more important. Spurgeon replied with a question. "Which of the two are more important, breathing in or breathing out?" One is obviously not more important than the other, but both are of great importance and we cannot effectively do one without having done the other. The same is true in our prayer and Bible study. Be sure to "make time" to listen to God (Bible study) and for you to talk to God (prayer).

**Bus Update:** IF you have heard this once you have heard it a dozen times, but we are close...(closer). With some help, I have been narrowing the search and am hoping that we can be ready to purchase a bus very soon. This is a major purchase and we do not need to jump out ahead of ourselves. God will provide at the right time. Your patience and encouragement have been greatly appreciated.

**Kitchen Refrigerator:** It appears that the large refrigerator has gone out for good this time. The last time it was fixed, the repairman told me that no one makes parts for that age/model any longer. We will be discussing in our next business meeting about purchasing another one.

**Church Picnic:** Be watching the bulletin for an announcement, but we will be planning for a church picnic at Lake Durant on a Sunday night toward the end of this month. We will plan like we did for last year: dinner, music, games, laughing, and more. Dates and times will be coming ASAP. This will be a GREAT opportunity to invite someone that does not attend Silo Baptist to come and have a great time of fellowship, food, and more!

I Love You,  
 YOUR Pastor  
 John 15:16
