Church Family,

God has once again “shed His grace” on America. By God’s grace the Roe v. Wade decision has been overturned and sent back to the individual states. In Oklahoma, abortion is now illegal. We will continue to fight and move forward to ABOLISH abortion completely. What a great victory for our preborn neighbors! Now our work begins. The effects of unwanted pregnancies will still have to be dealt with and as the church we will be here to offer help. Pregnancy centers, foster/adoptive parents, and single mothers will need our help. They will need our love, grace, and support. Currently we are in discussions about what we can continue to do as a church to help and to minister. We will have to really buckle down and show our support and love for our preborn neighbors and their mothers.

July Business Meeting: We will not have a business meeting in July. A complete financial report will be printed and available in the church office for any of our members.

Youth Camp: Youth camp is coming up for July 11-14. Please pray for us as we will be hosting our own camp this year south of Kingston in Buncombe Creek at Lake Texoma Christian Camp. Your prayers are needed and you are welcome to come and visit for a day and enjoy spending time with the students and sponsors if you wish.

AC trouble: The air conditioner in the fellowship hall on the westside may have to be replaced. It appears that the problems are not repairable as this is a very old unit. An estimate will be submitted soon.

Silo Bible Conference: September 4-7, Silo will host a Bible Conference. Bro. Justin Peters will lead our conference and he will be sharing his program called “Clouds Without Water”. We will be focusing on the Sufficiency and Supremacy of the Bible. The Bible still speaks to all of life and it is the final authority. Sadly, in our day there are scores of false teachers who, as the book of Jude says, are “clouds without water”. Do you know how to identify them? Do you know who they are? Bro. Justin will come and share with us what the Bible says about these people and how to avoid them. More details will follow.

Outreach Opportunity: Soon we will be ready to distribute our “Welcome to the Community” bags. We will take time on a Sunday night and focus on the areas where new homes/duplexes are now occupied.

I Love You,
 YOUR Pastor
