Church Family,

The summer season is never “down-time” for the church. It brings for us the busyness of preparation for student and children’s events. Super Summer, VBS, church camp, and other events all make up for a busy summer. However, busy is good. Busy is good when you are about “your Father’s business”. If we are doing God’s work, we should always be busy. There is always something to do, someone to call from your Sunday School class, someone to reach out to that is hurting, someone to invite to worship, and someone to share God’s grace with too. When we are doing God’s work it is always good work, regardless of how little or insignificant we view it to be. Are you doing God’s work, God’s way, and in God’s time?

**Bus Update:** The bus fund is still growing. Lord willing, we are not far at all from being financially able to make the purchase. It is taking a bit because we want to try to get something that is less than 8-10 years old and that has low mileage. Those buses are out there and available, but they are just a little more than what we have in our fund. God will provide at the right time. Your patience and encouragement have been greatly appreciated.

**Church Mission Outreach:** When Jesus said, “you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth”, He desires that we do so faithfully. The command in Acts 1:8 is not a successive order command, but a simultaneous command. Here’s what I mean. We are not to go to Jerusalem and THEN go to Judea and Samaria, and THEN etc. That is successive. This command is a simultaneous command. Some of us are to go to Jerusalem, some are to go to Judea and Samaria, and some are to go even further yet we are to do so simultaneously and we are all commanded to go. We are to send people from Silo Baptist Church to everywhere we can.

Silo is our Jerusalem. Soon we will be ready to go hand out “Welcome to the Community” gift bags to the new homes in our area. There are literally hundreds of new homes that have gone up and are going up within 5 miles of Silo Baptist Church. We will be taking time, on a Sunday night, to put together and distribute the gift bags in groups of 2 and 3 to the new homes in Silo. While we do this, Hayden Reeve will be getting ready to go overseas for one year. He will be leaving at the end of August to go serve with the Nehemiah Teams for the International Mission Board. Lord willing, we will be establishing a fund for Hayden through the church so that we can help give and support his mission for the year. He needs \$10,000 and so far, he has \$2000. If you need some work done around your place, Hayden would be happy to help with anything you have so that he can put it toward his mission trip.

I Love You,  
YOUR Pastor  
John 15:16
