Church Family,

I think if I were to try to summarize the month of August down to one word, I would use disappointment. From having to reschedule our Bible Conference to failures, let downs, and my girls and me having Covid, it was all one big BLAH! Not to mention the drought and heat. However, with each disappointment, I was reminded of a few things:

It's only temporary! Romans 8:18 says that temporary worldly sufferings do not compare to eternal glory in heaven. It won't last forever
There's coming a better day! Romans 8:21 tells us that there will be a day of eternal deliverance from this worldly bondage.
God knows and He's right here! Romans 8:28 says that God is working "all things", yes even the disappointments and the BLAH together for good. The good is according to His purpose and His glory.

So, if August was to you what it was for me, then rest in those truths from Scripture. May our hope be "built on nothing less than Jesus' blood and righteousness".

Silo Bible Conference: NOVEMBER 13th – 16th – An unforeseen scheduling conflict forced us to move our Fall Bible Conference back a bit. In November, Bro. Justin Peters will be here to present his outline called "Clouds Without Water". We will be focusing on the Sufficiency and Supremacy of the Bible. The Bible still speaks to all of life and it is the final authority. Sadly, in our day there are scores of people that are living by feelings and not by faith in God's Word. False teachers have crept in to lead people astray while preying on them through feelings and emotions. These teachers are, as the book of Jude says, "clouds without water".

Outreach Opportunity: This month, Lord willing, we will be ready to distribute our "Welcome to the Community" bags. We will take time on Sunday night, September 25th to go out into the community and focus on the areas where new homes/ duplexes are now occupied. There is a lot of people that we can reach out to, so we will need everyone's help. More details will follow.

Special Called Business Meeting: It is possible that we have found a bus to purchase. We have located a 2012 International shuttle bus that will seat 26 people and has a wheel chair lift. The bus appears to be in good shape. Wednesday night, September 7th, we will have a special called business meeting to discuss and vote weather or not to purchase. I will try to have pictures available for you to see.

Personal Thank You: My girls and I wish to extend to all of you that prayed for us, brought us food, called, texted, and offered to do anything we needed a great big THANK YOU! I cannot express how loved we felt as you ministered to us in our sickness. We sincerely appreciate it and we appreciate you!

I Love You,
 YOUR Pastor
