Church Family,

There are many in the church that need prayer. Recently, we have had several of our church family out with Covid and other respiratory issues. However, the church continues to forge ahead with the gospel. With the arrival of our missionaries back home and the salvations and baptisms that we have seen, we have the certainty that the gospel is still going across the nations.

Others that need prayer in the church are the students that attend our local schools and college. They will be going back this week and they will enter into their own mission fields. Pray for the gospel to go out through our students and pray for them to have a safe and blessed school year. Many will find that their faith will be challenged by others. I pray that their faith will be strong and bold as they stand faithfully on God’s Word.

Finally, pray for our brothers that are working out in this heat. Our firemen, construction workers, and many others are exposed to these extreme temperatures and it can be brutal. Remember to pray for them when you see them. Here is a brief list of things coming up for Silo Baptist Church.
