Church Family,

September sure seemed to fly on by and with as hot as it was, I'm not sorry that it did. There's an anticipated change coming in the weather. We all know that fall is on the way. It will bring a few changes in the temps. As we start Exodus, we will see how God changed a few things for the Israelites. For 430 years, they were in captivity to Egypt and had come to a place of belief that this was how it was supposed to be. "But God who is rich in mercy", said otherwise. He rescued and delivered the Israelites from the oppressive hand of Pharaoh. May we never grow indifferent or calloused to what God has done in our lives to rescue us. Be sure to share that good news with others too. I Love You,

Your Pastor

John 15:16
