Church Family,

Recently, the church voted to start the process of building a fellowship hall/Christian life center. We are in the praying and planning/design stages of this. Very soon we will be forming a 5-person building committee and we will ask you to pray about serving on this committee. In our next business meeting, we will be forming a 3-person transportation committee as well. Serving on a committee can be work. It can be a lot of work, but when the work we do is for the kingdom of God, it is not wasted. When we serve our LORD, the work and service is not a waste of time or talent. It is noticed by the one that matters, Jesus.

Do you remember when Mary came with the alabaster flask of costly oil and anointed Jesus? In Mark’s gospel we learn that the disciples grumbled about what appeared to be a waste of oil. Jesus, knowing the condition of their hearts, said for them to leave her alone. In the English Standard Version Jesus calls what she did as “a beautiful thing to Me.” It is not the oil with its fragrance or even the price of the oil that made this a “beautiful thing.” It is who she is doing for that makes it a beautiful thing. When we serve God, regardless of what committee, class we teach, or behind the scenes where only He sees, it is NEVER wasted. As a matter of fact, Jesus would call it a beautiful thing.

I Love You,
YOUR Pastor
