Church Family,

Last month, I stated the following and then asked a question. Here they are: “It is monumentally important that we not only believe every word of the Bible, but that we seek to apply His word faithfully each day. James would tell us to not only believe each word, but that real faith applies the word we believe. How are you seeking to apply God’s word in your personal life? How are you seeking to apply God’s word in your home? How are we seeking to apply God’s word at Silo Baptist Church?” The last question is what I want to focus on for this article.

Applying God’s word is what God expects us to do in the church and all of life. In doing so, we need to know that this responsibility not only falls behind the pulpit, but Sunday School. Sunday School is a most effective way of making disciples, but also applying God’s Word. It there we learn and grow in His Word and how to apply for all of daily life. I believe that it is only right that we pray and seek out a Minister of Education.

The Minister of Education is a position that will primarily focus on Sunday School strategies like: teacher training, outreach, curriculum, formation of new classes, etc. This ministry must be led by God’s man. Therefore, as a church, we voted in May to establish the part-time position for Minister of Education. This position is extremely important to the life of Silo Baptist Church. Therefore, I ask you to pray and ask God to bring us His man for this task and pray about serving on the search committee.

The attendance on Sunday evenings has been encouraging to me. We have been working our way through the book of 1 Timothy. The world would have us believe that since 1 Timothy was written in the 1st Century, some of the theology and doctrine does not apply to today. The problems with that are two-fold.

1. They are LYING. All of 1 Timothy applies to the church today.
2. “The grass withers and the flower fades, but the WORD OF OUR GOD STANDS FOREVER” (Isaiah 40:8).

Do not be deceived, loved ones, the devil’s tactics have not changed. He is still trying to get man to question the validity of God’s word, thereby not applying His word. **“Resist him, steadfast in the faith, knowing that the same sufferings are experienced by your brotherhood in the world” (1 Peter 5:9).**

Here is a church-wide prayer request for June.

VACATION BIBLE SCHOOL: I am so encouraged about the VBS! I literally love VBS and not just because of the snacks! I love knowing that boys and girls are hearing the gospel. I know and can testify of the gospel of Christ and how it can change a person’s heart. Please pray for boys and girls to hear about Jesus. Please pray for Lisa Carter for health stamina. Ask God to give her the strength and grace to lead. Also pray for all the teachers, helpers, leaders, and of course the children.

Praying for You,
YOUR Pastor
