Church Family,
 Summer is winding down and for that I am glad. I am glad because we are coming up on my favorite time of the year. Fall!! There are two reasons why I like the Fall so much. The first is the less extreme temperatures and of course the second is the Fall colors. The seasons are certain to change and things like colors of leaves, grass, and the sounds in the air are all saying that Fall is on the way. For Silo Baptist Church, Fall is important. We have some upcoming events that are going to be wonderful.

Truth Seekers: Truth Seekers is set to begin very soon and we are looking forward to a great semester!! This semester will be about the Parables of Jesus. I am so glad that Lisa Carter and ALL of our Truth Seeker workers are working hard to ensure that all will be wonderful and God will be glorified.

Education Minister Search Committee: The search committee is prayerfully working through the process of consideration with a candidate. They are taking each step in prayer, Biblical wisdom, and diligent consideration. Please pray for them as they work through this process.

New Building Committee: There has not been a lot of movement recently on the building, but now that we are all back under the same roof, there should be soon.

Big HONKIN’ Sunday: September 29th will be our BIG HONKIN’ SUNDAY. This will be our high attendance day for Sunday School. During the worship service, we will observe the Lord’s Supper. Be sure to invite someone to be your guest.

I love you,
 YOUR Pastor
