Church Family,

Silo Baptist will prepare for Samaritan’s Purse Operation Christmas Child differently this year than we have before. **As always, participation is entirely voluntary.** Throughout the year, we will give each of you the opportunity to pack by providing shoeboxes with activated labels for individuals and families to take home and pack. Each box will have rubber band(s) and instructions for what to pack and what NOT to pack (soap is not allowed anymore). Just pray and pack the fun items for the gender and age you have put on your label. If you’d like suggestions, please check the bulletin board in Christmas Corner or ask me. There will be a deadline to return them so I can put them in storage until November National Collection Week. The church will take care of the \$10 shipping cost for each box. **The first deadline is May 4th.** Leave packed shoeboxes in the former 4-6th grade classroom in the west wing (first classroom on left headed to Fellowship Hall).

What does activated label mean? Each shoebox will be scanned at the Processing Center before being packed in a carton for its destination. If you want to follow your shoebox, take a picture of the label and I can help with the follow up. Keep in mind, we won’t know where the shoebox went until late January/early February at the earliest.

Since this will be different from a Packing Party, I will not be checking the contents\*. They will do that at the Processing Center. I will still host a small Packing Party for Truth Seekers the Wednesday before National Collection Week. The large Packing Parties and Craft Saturdays were an attempt to get more people in the church engaged. Organizing and hosting them is too much for an individual. I have accepted an additional role with Samaritan’s Purse after I renewed my contract as year-round volunteer for Church Relations and have agreed to be on the Media Support team.

I will continue to be Project Leader at Silo Baptist and welcome any questions you may have.

God bless,

*Lisa Carter*

Matthew 28:19-20

\*I don’t mind checking shoeboxes if you mark your box with a post-it or note.
